# Dedication

Virginia Darnell

After 23 years as the Home Economics Vocational teacher at Apache High School, Mrs. Darnell has chosen to retire this year. Her service and loyalty to us, the students, has gone far beyond her classroom instruction in foods, sewing and family living. She has generously given of herself through her caring attitude and willingness to help any student in need.

She has also spent much time building and promoting the Future Homemakers of America program and through this program encouraged the growth and development of students by expanding their horizons.

We thank you not only for the instruction you have given us but also for your love, concern and kindness. We dedicate the 1987 Yearbook to you for your devotion to us.

We wish you all that you hope for in your retirement years.

Herff Jones, Okla City

Our administrators and Board of Education were also "making tracks" this year with the election of two new board members and a new president. These changes keep our school vital with the input of fresh ideas and concerns from our community. All of these men work diligently making decisions which will improve the educational opportunities offered to our students.

## Teacher of the Year

John Piper has been selected by the teachers of Apache Schools as the 1987 Teacher of the Year. Mr. Piper graduated from the Citadel Military College of South Carolina and, before coming to Apache, he taught history at Milton High School in Vermont. He is currently teaching math and science at the high school and serving as the junior class sponsor.

Mr. Piper is an Army Reserve officer and he enjoys carpentry and gardening in his spare time. He prefers teaching at a small school like Apache because "everyone can essentially get to know one another."

## Friend of Education

Lois Murray, AEA President, presenting the "Friend of Education" plaque to Gale Evans.

Each year during National Education Week, the teachers of Apache select a "Friend of Education". This award is to recognize someone in our community who has been a special asset to education through their contributions to our schools.

Gale Evans, owner of Mac's Quick Mart, was the award recipient this year. As a business person he takes a real interest in and is concerned with our schools. He has shared his time to support many activities of Apache students. We are happy to honor Gale, a businessman who cares about our schools.

First row: Christi McNeill, Michelle Bybee, Missy Kosechata. Back row: Shelly Heilaman, Tracy Mitchell, Dawn Major, Kelli McCoy.

With experienced staff members to welcome newcomers on board, the annual staff began making the decisions for yearbook layout and design at the start of the school year. After selecting the theme, "Making Tracks in '87", the first "tracks" the staff members made were to the great advertisers who support our yearbook. Then we turned to picture taking, copy writing and page design.

As you turn the pages of this yearbook, we hope that you will remember the "tracks" you made during this school year.

Promoting both school spirit and teacher appreciation, Student Council used some original ideas to include the whole school in new activities. Installation of volleyball poles and nets in the student quadrangle offered students a chance to show off their physical skills at lunchtime. Also, much enjoyment was had by students giving friends valentine roses or sing-a-grams. Members of the Council honored the faculty, administration and staff with a delightful Christmas buffer and recognized each faculty member with a rose on Valentine's Day. Attendance at the State Convention gave some members a chance to share our programs while gaining fresh ideas from state-wide Student Council representatives.

## \*Drama\*

The Apache Drama group was hard at work this year! They sponsored a unique fundraiser that made money and was also fun. In the "Kiss A Pig" contest Teresa Austin was the *lucky* winner. The drama group also sold a world's supply of candy sticks in order to raise the money to go to the State Thespian Convention, where they performed a one act version of "Barry Irwin". They performed two plays at AHS this year, "A Golden Fleeing" and "Barry Irwin, playwright".

# 'Til the Clock Strikes Twelve

"Heaven in Your Eyes"

The Juniors did a super job putting together the 1987 Prom. They chose as the theme 'Til the Clock Strikes Twelve and the song was "Heaven in Your Eyes". In addition to the traditional prophecies and wills, the Seniors got together and combined some of their greatest memories to share with everyone in the "Remember whens..."

The honors of 1987 Prom King and Queen went to Mike Frederick and Kelli McCay. After the clock struck twelve, the All Night Prom Lock-In began and continued throughout the night until breakfast was served at 6:00 am. The 1987 Jr.-Sr. Prom will be a special memory for us all!

## Apache Booster Club "The Only Way to Win"

It takes a little courage  
and a little self-control  
And some grim determination  
if you want to reach a goal.

It takes a deal of striving  
and a firm and stern-set chin  
No matter what the battle,  
if you really want to win.

There's no easy path to glory,  
there's no rosey road to fame  
Life, however we may view it,  
is no simple little game.

But its prizes call for fighting,  
for endurance and for grit  
For a rugged disposition  
and a "don't-know-when-to-quit."

You must take a blow and give one  
you must risk and you must lose  
And expect that in the struggle  
you will suffer from a bruise.

But you mustn't wince or falter  
if a task you once begin  
Be a man and face the battle —  
that's the only way to win!

Parents, Teachers, and Friends,

What was once a childhood dream, has now become a reality. Thirteen years have now come to an end, leaving us with an education, memories, and friends to last forever.

Looking back on past years we could never forget the homecomings, the dances, the competition, the trouble and pain, but most of all, the Special Times and the love of being together.

Throughout our lives we will always remember these days, each one filled with thoughts of good friends and good times.

Often throughout the year one of us could be heard speaking in desperation and anxiousness for that final day in May when we would say our last goodbye. But now that the time has come, for some, anxiety has faded to tears.

We have finally reached our year-long destination . . . graduation . . . and it is hard to believe that we have come so far to reach the top only to find ourselves at the bottom — beginning again, except this time, instead of kindergarten, it is the rest of our lives we start.

Each of us will express our heart-felt feelings in our own individual ways, but this is our goodbye together.

We would like to thank our teachers, parents, and friends, who provided us with knowledge, guidance and courage that helped us to succeed. Without you, our accomplishments would not have been possible, and we know what we have learned from you will help us conquer our lifelong goals.

As we leave the familiar halls of AHS, we remember those who will remain — to follow us in graduation in the following years.

For you we hope you realize your opportunities now and take advantage of them to help you do your best in life.

We, as a class, look to the future with the faith that "ALL THINGS ARE POSSIBLE TO THOSE WHO BELIEVE."

The Senior Class of 1987
